**Tuition-** Providing the best possible education requires highly qualified teachers, diverse academic and co-curricular programs, state of the art technology and a well maintained building. Gordon Tech is working hard to limit its costs but still provide a first-rate academic and co-curricular program for your daughter or son. As a reminder, the real cost to educate each student is \$11,200.

**Registration Fee-** This non-refundable fee is required to reserve a space for the upcoming school year and to begin the scheduling process. Due: March 31, 2012.

**Activity Fee-** This fee allows GT to provide robust co-curricular activities including Ethnic Clubs, Drama Club, Student Government and Young Women's Leadership Academy to name a few.

**Tech Fee-** This fee helps to defray the costs of technology within all areas of the school.

**Fundraising Fee-** This is a way for each family to ask the community to support Gordon Tech students as a whole. The Annual Fall Raffle is the major and required activity to accomplish this. There is also a voluntary fundraiser in the spring. If your student participates in athletics or clubs, he or she may be involved in smaller fundraisers throughout the year as decided upon by the students.

**Retreat Fee-** Covers the costs of the retreat at the appropriate grade level.

**Lab Fee -** Will be accessed on individual course assignments and billed accordingly.

Additional fees not listed but that are a part of a Catholic education: The cost of books and uniform.

### **Important Reminders:**

- You must reapply for tuition assistance and scholarships every year. Aid is spread equally over the 11 month tuition payment period. The amount of assistance the school receives varies from year to year and is not guaranteed.
- In order to apply tuition assistance and/or scholarship funds for next year, your registration fee must be paid.

**2012-2013 school tuition and fees have not been finalized at this time**
